

8th IRDES-DAUPHINE Workshop on Applied Health Economics and Policy Evaluation

Paris, 23-24 June 2022

The 8th IRDES-DAUPHINE Workshop on Applied Health Economics and Policy Evaluation (AHEPE) is organized by IRDES, Institute for Research and Information in Health Economics, with the University Dauphine PSL.

The workshop covers a wide range of topics, covering social health inequalities, health service organisation and utilization, health insurance, long-term care... with an emphasis on Public Policy analysis and evaluation.

13 papers were selected this year by the scientific committee based on a full or advanced draft written in English. Each paper will be presented by one of the authors and discussed by another researcher, followed by a general discussion (40 minutes in total).
