Born 1971, French

Updated 02/2012

Current position

- 2004 - Senior Research Fellow, IRDES (Institute for Research and Information in Health Economics)
- 2011 - Associate researcher, Paris Dauphine University, LEDA-LEGOS (Laboratoire d'Economie de Dauphine, Laboratoire d'Economie et Gestion des Organisations de Santé)
- 2008 - Head of Social Health Inequalities research unit at IRDES. Research on social health inequalities and equity in access to health care, public policy evaluation and methodological works on health, health services utilization
- 2009 - Scientific coordinator of the French Health, Health Care and Insurance Survey (Enquête Santé Protection Sociale - ESPS). ESPS is a panel survey merged with sickness funds data files that has been following 8 000 households since 1988. It provides micro data on health status, health care consumption, health insurance and socioeconomic status and aims at supporting research and public policy evaluation

Education and scientific exchanges programmes

- 1994-96 and 1998-99 Ecole Nationale de la Statistique et de l'Analyse de l'Information (ENSAI www.ensai.com)
Master in statistics, specialization in Health Economics
- 2008 Aug-Dec Invited researcher, Centre for Health Economics and Policy Analysis, McMaster University, Canada

Research interests

- Equity in health and health care
- Public policies evaluation
- Survey methodology
- Health Status and Health Care Utilisation measurement

Current research

- A study of Self Assessed Unmet Needs in France. This research combines qualitative and quantitative approaches. It benefits from a French Health Ministry grant (project leader)
- Immigrants health and access to health care services in Europe. EUNAM (EU and North African Migrants: Health and Health Systems) is a Seventh Framework Programme project (representative for France) (http://www.dkfz.de/en/molgen_epidemiology/EUNAM/EUNAM.html).
- French Preferred Doctor reform evaluation: impact assessment of the 2006 reform on equity in access to care. This research benefits from a French Health Ministry grant (project leader)
- WHO Europe review of the Social determinants of health and the health divide in the WHO European Region (Pr. Sir Michael Marmot) Task group on older persons
- Patient – Practitioner Interaction: this research investigates patient-physician interaction and how it may generate social health inequalities. The project includes a specific survey with patients and general practitioners interviews and

video recording of the visit. This research has been selected and funded on the IVRSP scientific tender for research in public health

Past positions

2004-2009 French Health, Health Care and Insurance Survey (Enquête Santé Protection Sociale): Team leader (7-8 persons team)

2003-2005 Survey of Health Ageing and Retirement in Europe (SHARE): co-leader for France. SHARE is an EU Framework project (<http://www.share-project.org>)

1999-2004 IRDES (Institute for Research and Information in Health Economics): Research Fellow

1996-1998 Institut National de la Statistique et des Etudes Economiques : Analyst

Scientific Boards

2010 - Present: National Institute for Demographic Studies (INED www.ined.fr), Scientific Board

2010 Institut de Recherche en Santé Publique, External grant reviewer

2008, 2010 and 2012 Social Capital and Health Global Network Workshops (Paris, Oslo, Padova), Scientific Committees

Research Networks and professional associations

2006- Present: Social Capital and Health Global Network

2006- Present: Collège des économistes français de la santé

2006-2010 European Health Policy Group (EHPG)

2002-2004 ECuity network (<http://www2.eur.nl/bmg/ecuity>)

Report Referee

2010 Haute Autorité en Santé (France)

2008 Institut National de Veille Sanitaire (France)

Article Reviews

2010 European Journal of Health Economics

2008 Revue Economique

2007 Pratique et organisation des soins

2007, 2012 Economie et Statistique

Teaching

2003-Present: Health Economics, ENSAI (Master's Degree)

2012 Survey methodology, Université Paris Est Créteil (Master's Degree)

2010 Master's thesis Supervisor, ENSAI (April 2010 – Sept 2011), Romain Fantin

2003 Equity measurement in the field of health and health care, CERDI (Master's Degree)

Research Funding

Current

2011-2012 Construction of indexes of equity in financial access to health care from 1998 to 2008. Direction Générale de la Santé (French Health ministry) Dourgnon P. (Principal Investigator), Debrand T., Or Z., Soprasith C. (Co-investigators) € 90,000

2011-2015 EU and North African Migrants: Health and Health Systems (EUNAM) Dourgnon P. (Country representative) Jusot F., Sermet C. (Co-investigators); € 220,000

Past

2010-2011 A study of self assessed unmet needs, qualitative and quantitative approaches, Dourgnon P (Principal Investigator), Després C., Fantin R., Jusot F. (Co-investigators) MiRe (Ministry of Health); € 115,000

2006 & 2008 Health, Health Care and Insurance Surveys (ESPS): team leader. Fund raising from Ministry of Health, French Centre for Disease Control (InVS). Total € 550,000

2003-2005 Survey of health ageing and retirement in Europe (SHARE): Country team co-leader. Fund raising from French institutions for the 2004 wave, from: AGIRC ARCOO (Retirement insurances association), CDC (Public trust), CNAMts (Public Sickness fund), CNAV (Retirement social insurance programme), Commissariat général au plan, COR (Pensions advisory council), DARES (Ministry of labour), DREES (Ministry of Health), FFSA (Private Health Insurance Association) Mutualité française (Non profit Complementary Health Insurance Association). Total € 190,000

2003-04 Matthew effect in the simultaneous choice of health and income, through longitudinal individual data for France (1988 – 2002), Grignon, M. (Principal Investigator), Couffinhal, A., Dourgnon, P., Geoffard, P-Y., Jusot, F., Naudin, F. (Co-investigators); MiRe (Ministry of Health and Social Affairs, France); € 27,000

2002-03 Determinants of social inequalities in health: literature survey and working group with international experts; Grignon, M. (Principal Investigator), Couffinhal, A., Dourgnon, P., Geoffard, P-Y., Jusot, F., Naudin, F. (Coinvestigators); CNRS (National Centre for Scientific Research), INSERM (National Institute of Health, Epidemiology and Medical Research), MiRe (Ministry of Health and Social Affairs) - France; €10,000

2000-02 Compulsory health insurance and occupation; Geoffard P-Y. (Principal Investigator), Couffinhal, A., Dourgnon, P., Grignon, M., Jusot, F., Naudin, F. (Co-investigators); MiRe (Ministry of Health and Social Affairs, France); € 8,700

1999-2000 medical softwares and private medical practice ; Sourty M.J. (principal Investigator), Dourgnon, P. & Zimina M. (Co-investigators) Fonds de réorientation et de modernisation de la médecine libérale (FORMMEL Study) ; € 50,000

1999-2000 Upfront payment and access to care, Grignon M. (Principal Investigator), Dourgnon P. (Coinvestigator); Mutualité française (Mutualist Complementary Insurance Union) € 7,500
