2017 Irdes Workshop

3rd Workshop on Applied Health Economics and Policy Evaluation

Paris, 22-23 June 2017

The 3rd Workshop on Applied Health Economics and Policy Evaluation (AHEPE) is organized by IRDES, the Institute for Research and Information in Health Economics, Paris, France, with the Chaire Santé Dauphine.

The workshop covers the following topics, with an emphasis on public policies analysis and evaluation: Social health inequalities, Health services utilization, Insurance, Health services delivery and organization, Econometric methodology.

16 papers are selected by the scientific committee on the basis of a full or advanced draft written in English. Each paper will be allocated 20 minutes for presentation and 20 minutes for discussion (introduced by a participant or a member of the scientific committee).
