5th IRDES-DAUPHINE Workshop on Applied Health Economics and Policy Evaluation

Paris, 20-21 June 2019

The 5th IRDES-DAUPHINE Workshop on Applied Health Economics and Policy Evaluation (AHEPE) is organized by IRDES, Institute for Research and Information in Health Economics, with the Chaire Santé Dauphine.

The workshop will cover the following topics, with an emphasis on Public Policies analysis and evaluation: Social health inequalities, Health services utilization, Insurance, Health services delivery and organization, Specific populations : The Elderly, Migrants, High-Needs-High Costs Patients, Low Income Patients.

15 papers were selected by the scientific committee on the basis of a full or advanced draft written in English. Each paper will be allocated 20 minutes for presentation and 20 minutes for discussion introduced by a discussant.
